Chef

FRUIT PUREES FOR
ALL YOUR DRINK
CREATIONS

www.androschef.com

CURIOUS BY NATURE

Just like professional Chefs and bartenders worldwide, we're curious about all the flavors Nature has to offer.

We have a unique network of fresh fruit processing plants in the heart of fruit growing areas and work hand in hand with our dedicated growers.

We accept only the best produce and champion the simplicity of our recipes, which have been developed with great dedication and expertise over four generations by our independent family business in the Dordogne.

ANDROS SOURCING VIDEOS
